WOLFANG TORRES

contact@wolfang.com.ve ▪ www.wolfang.com.ve

Mechatronics ▪ Programmer ▪ Cisco CCNA

A Mechatronics Engineer student and self-taught Freelancer Programmer, experienced in developing and shipping Administrative Software, passionate with writing elegant code.

Computer Skills

Languages: Python, JavaScript, Shell, SQL, HTML, CSS.
Operating Systems: GNU/Linux, Windows
Server Software: Lighttpd, MySQL, PostgreSQL, Flask, Django.

Personal Information

Complete Name: Wolfang Alfredo Torres González

Cellphone: (+58) 0414-6221349   **Email:** contact@wolfang.com.ve   **Birth Date**: May 25, 1995

Address: Av, 61 #84-180 Cjto. Res. Colonia San Andrés Apto. 2A-3 Urb. Cumbres de Maracaibo, Maracaibo, Edo. Zulia, Venezuela

Experience

Asociación Cooperativa Técnicos & Asesores, R.S. (J-40056441-7, +58-0261-7835705)
Administrative Software Developer, 2014 – 2015

Author of the SCET, a nice looking tool to administer the workings of any kind of workshop, it can control incoming products for repair an maintenance, which technicians works on them, with tools and resources are used and where are they stored, developed in Python3 and MySQL.

- Conceptualization, design, development and implementation of a business software solution.
- Database design allows to change the kind of data stored without changing the structure itself while still being performed fast.
- Intuitive, easy to use interface accelerates work flow and eliminates employees learning curves.

Centro Medico CARD-IN C.A (J-31384123-4, +58-0251-7712073)
Medical Software Developer, 2013 – 2014

Developed SAHM, A minimalist and simple to use system for the creation and administration of medical records, developed in Python3 and MySQL. It allow medical staff without familiarity with computers to easily read and store the medical information of their patients and print their indications.

- The software created a standardized work flow within medical personnel that allowed a rise in work efficiency.
- The migration to a software solution caused a great reduction of paper and space expenses

Education & Credentials

U.E. COLEGIO NUESTRA SEÑORA DE CHIQUINQUIRÁ - 2012
High School Diploma / Science Specialization

UNIVERSIDAD NACIONAL EXPERIMENTAL POLITÉCNICA "ANTONIO JOSÉ DE SUCRE" - CURRENT
Mechatronics Engineer

Certifications
- Cisco Certified Network Associate (CCNA) – January 28, 2013,
  Verifiable at http://www.ciscocertificates.com/verify.cfm with code 413038649887BPWI
- Microsoft Technology Associate (MTA) – November 26, 2016,
  Verifiable at verify.certiport.com with code nJJ7-XVNa

Other Relevant Certifications and Accomplishments:
- Participation on the V and VI National Robotics Competition, UNETBOTS 2015 y USBBOTS 2016
- ActionScript 3 Game Development (http://www.newgrounds.com/portal/view/664563)
- Applied Robotics Seminar
- MySQL Databases Specialization
- CISCO CCNP Route course
- CISCO CCNP Switch course
- CISCO CCNA Security course

Languages:
- Spanish: Mother tongue.
- English: Fluent, i have complete command of this language with perfect grammar.
- Brazilian Portuguese: Basic, i am only able to communicate in this language through written communication.
